

# E Consultancy services

## Company Profile:

E Consultancy Services is a leading Govt Contract, System Integrator and Channel Partner of some of the world's premier electronic & IT brands. With a team of qualified engineers and technicians we design, integrate and execute turnkey projects round the country. Having successfully executed more than 100 projects. With offices in Varanasi, Lucknow, Kolkata & Guwahati we have a pan-India presence and exposure.

We started as a Registration Authority (LRA) of (n) Code Solutions (GNFC) licensed by Controller of Certifying Authority (CCA), Govt. Of India, to issue Digital Signature Certificate across India.

Today a giant in the field of Telecom , Security Solution, Wi-Fi, Display technology and Sound technology. We have come a long way. There might have been a landscape of change in our products and technologies, however what hasn't changed are our core values of uncompromised quality, integrity and innovation. Testimony to these values, are the numerous projects and installations, we've executed through the length and breadth of the country. These include the few name of Place.
